NNPS Power Point Presentation and Transparencies on SCHOOL, FAMILY, AND COMMUNITY PARTNERSHIPS

The National Network of Partnership Schools offers information on school, family, and community partnerships on Power Point and color transparencies for members to use in team-training workshops and other presentations. The Power Point and transparencies include exactly the same information on the following topics:

- Six types of involvement
- Meeting the challenges to excellent partnerships
- Action Team Structure
- Reaching Results
- National Network of Partnership Schools (overview of benefits and requirements)
